25X1

[] Project Security Officer [] will determine need to know for personnel in CIA, Government agencies other than Department of Defense, and industrial firms not under contract for the LANYARD program.

25X1

Responsibility for the Conduct of Investigations:

In the event a heavy increase in requests for CORONA clearances of individuals not possessing a T.S. clearance ensues, the OSI/USAF will probably be called upon via Office of Under Secretary of the Air Force to expeditiously conduct these background investigations.

25X1

Visits to CORONA Contractors or Field Installations:

Such visits must be coordinated through Project CORONA Security Officer, and clearances certified to field installations.

Security Control Point at SSD:

It would appear desirable for Chief of Plans, Technical Evaluations Office, SSD, to be designated as the Security Support Officer to General Greer for LANYARD due to his extensive experience with CORONA.
